

Limited Product Warranty

10 Year Repair or Replacement

RenCon Energy Products, Inc. warrants the Solelectric™ Solar and LED Lighting Products¹ to be free from defects in materials and workmanship under normal use and service conditions. If the Solelectric™ Day-Light System¹ fail to meet or exceed at least 90% of their specified performance within a 10 (ten) year period from the date of purchase, RenCon Energy Products will either repair or replace the Solelectric™ product at our discretion. The repair or replacement remedy shall be the sole and exclusive remedy provided under this limited Product Warranty.

This Limited Warranty does not cover any transportation costs for return of the Solelectric™ Day-Light System¹, or for reshipment of any repaired or replaced solar panels, or cost associated with installation, removal or re-installation of the Solelectric™ Day-Light System¹.

All warranty claims must be filled within the applicable Warranty period to be valid.

This Limited Warranty does not apply if, according to RenCon Energy Products absolute judgment, any of the following have occurred:

- Accidental damage, abuse or neglect.
- Alteration or attempted repair by anyone other than RenCon.
- "Acts of God", including but not limited to; lightning, hail, fire, flood, earthquakes, power failure surges or vandalism.
- Electrical damage due to errors including but not limited to: reversed battery polarity, incorrect battery voltage or applying AC power at any time.
- The serial number or product specification label have been removed or modified in any manner.

If you believe that you have a valid claim under this Limited Warranty, the following must happen for your claim to be accepted:

Write or email RenCon to obtain return authorization.
